COMMISSIONER FOR PATENTS
Alexandria, Virginia 22313-1450

Dear Commissioner:

Upon reviewing the above-identified patent, Patentees identified two errors of a clerical or typographical nature which should be corrected.

The exact column and line number where the error is located in the printed patent are as follows:

Error In Patent	Application File
First Line of Abstract	Please change the term “manufacturing” in the first line of the Abstract to read -- manufactured --.
Claim 1, Col. 6, Line 51	Please add the second “at” after the term “meeting” in claim 1 to read -- meeting <u>at</u> at least one second pin-hole meeting interface”

Transmitted herewith is a proposed Certificate of Correction effecting such amendment.
Please send the entered Certificate of Correction to the following address:

Peter J. Prommer
NIXON PEABODY LLP
161 N. Clark Street, 48th Floor
Chicago, Illinois 60601

Furthermore, pursuant to 37 C.F.R. § 1.323, the fee set forth in 37 C.F.R. § 1.20(a) is due. Please charge the Certificate of Correction fee of \$100.00 to Nixon Peabody LLP Deposit Account No. 50-4181, Order No. 247082-000094USPX. It is believed that no other fees are due; however, should any additional fees be required, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to the same deposit account. The Patentees respectfully solicit the granting of the requested Certificate of Correction.

Respectfully submitted,

Date: May 4, 2009

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
